Most of these plants were very graciously donated to us by the participating nurseries. See our website, www.calhortsociety.org or call (415) 566-5222 for all the details.

Many of the donating nurseries are wholesale only. The best way to obtain specimens of the treasures you found at the show is to **bring this list** to your local nursery or garden center and ask them to order your plants from the donating nurseries listed above. Most also have websites. ***Be sure to let them know you found their plants at the Cal Hort Hot Plant Picks booth*** at the SF Flower and Garden Show!

Cal Hort meetings are held the third Monday of every month (except December) in the County Fair Building at the San Francisco Botanic Gardens at Strybing at 7:15 PM. We host a wide variety of wonderful speakers, a Plant Forum discussion and a very lively Plant Raffle. It's a great way to gain more horticultural knowledge, get some great plants and meet like-minded people all at the same time.

*** **Bring this plant list and get in to one meeting free** ***
